Experience

AI Security Research Center, Soongsil University, Researcher Seoul, Korea
Sept 2025 – present
1 year 2 months

- Researching audio deepfake detection, anti-spoofing, and speaker verification in real-world conditions.

NashTech Vietnam, Software Engineer Vietnam
Jan 2022 – Jan 2023
1 year 1 month

- Built software systems using Python, C#, JavaScript, SQL, and web technologies.
